INTRODUCTION TO THE NEW
Ballou High School Project

Ballou High School
January 19, 2014

ACE Mentoring Program

THE NEW BALLOU HIGH SCHOOL

The New Ballou High School Architecture, Construction, & Engineering Program

The goal of this session is to give an overview of the New School, discuss some of the new features of the project, familiarize the students with facts and figures and conduct a 'Parking Lot Tour' of the Project.

1. Pizza & Networking (Students & Project Team)- 15 min
2. Formal introduction of the Project Team to the Students (Student will introduce a Team Member and the Team Member will introduce the Students)- 15 min.
3. Go through the Power Point Presentation of the New School & Play the Video Rendering of the Project- 30 min.
4. Conduct The Parking Lot Tour 25 min.
5. Discuss The Next Session " Assembling The Dream team" 5 min.
